Home or Hospital Instruction

Upon request from a parent/guardian or an emancipated minor or student who is 18+ years of age, home or hospital instruction may be provided to students who are unable to attend school for an estimated period of 4 weeks or more because of physical disability or illness. A written statement from a qualified medical practitioner verifying that the student will not be able to attend school for an estimated period of four weeks or more will accompany the request. The district will not pay for any costs incurred in securing the medical verification.
