1. Call to Order, Welcome and Pledge of Allegiance, Roll Call

2. Good News

- Thank you to our education support professionals during Classified School Employee week of March 8-12, 2021. The staff serving in health services, technology, custodial, grounds, maintenance, paraeducation, transportation, child nutrition, office professionals, and substitutes all play an important role in the educational success of our students.
- Washington State School Retirees are recognized March 15 - 21, 2021 with a Proclamation signed by Governor Inslee. Thank you to the school retirees that continue to remain active in schools.
- The LHS culinary class is taking lemons and making lemonade... or rather taking school lunch and making an inspiring and equitable activity.
Problem: Given distancing, kitchen space, and the health safety challenges of having students work with food at school, our culinary arts class has needed to push a lot of the "cooking labs" to be done at home.
Solution: Introduce the "Chef's Challenge," the newest show on the Food Network. Each chef (student) received a bag of groceries (school lunch distribution bags) and they are challenged to make a culinary sensation with the ingredients in the bag. Re-purpose a hamburger bun to become a crust, or an apple oatmeal bar to become a strudel. Mia's recipe is available!
- The following athletes signed to play at the next level: Riley Anderson - Fastpitch at Lewis & Clark College; Faith Baar - Volleyball at Skagit Valley College; Ellsie Saldivar - Soccer at Trinity Western University; Christian Bethea - Football at Linfield University; Hailey Saur - Fastpitch at Oklahoma Panhandle State; Anna VanderYacht - Volleyball at Western Washington University; Sara Jones - Swimming at Concordia Irvine; Ian Jacob - Football at Northwestern University. Congratulations!
